

Reinstatement of a Suspended License

Effective February 1, 2010, educators whose licenses have been suspended are required to pay a reinstatement fee of \$105.00 as well as meet all other requirements listed in the State Board orders of suspension. Once the requirements of the State Board order are met and the reinstatement fee is paid, the educator will be eligible to receive a license contingent upon the educator meeting all applicable licensure requirements in effect at the time the suspension is removed.

An educator whose suspension is completed can pay the reinstatement fee online here or can send the \$105.00 fee payment by check or money order to the following address:
